

# Keegan Johnson

Front End Web Developer

Kentwood, MI 49508

(616) 558-4659

[keeganjohnson43@gmail.com](mailto:keeganjohnson43@gmail.com)

## EXPERIENCE

### **Andronaco Industries, Kentwood, MI – Entry Web Designer**

January 2022 - March 2023

- Debugged sites using developer tools
- Created three responsive web designs for mobile and tablet users, resulting in a 20% increase in customer engagement and a 12% increase in conversions.
- Revised user flows and designs based on design reviews, usability testing, customer support feedback, and other input sources.
- Created clear icons, messaging, buttons, and other UI elements for smartphones, tablets, and web applications.
- Addressed user interface issues reported by site visitors, creating remedial measures to smooth interaction and correct weaknesses.
- Drove alignment of business requirements, user-centered design methodology, and technology factors to create successful UI/UX designs.
- Presented pros and cons of various design approaches to design teams and management.

### **Ferry Godmother Productions, Remote, NY — Streamer**

September 2021 - December 2021

- Developed and maintained professional, long-term relationships with various individuals, including internal personnel, through dynamic communication and active listening skills.
- Wrote code to determine the mechanics and gameplay of new software.
- Identified issues with gaming code and implemented debugging methods to alleviate all errors.
- Used C# to develop game prototypes based on ideas from gaming designers.
- Identified the needs of customers promptly and efficiently.
- Demonstrated leadership by improving work processes and helping train others.
- Promoted high customer satisfaction by resolving problems with knowledgeable and friendly service.
